

HELP WANTED

TREE ESTABLISHMENT CREW LEADER

TRECOCOLGY INC is seeking a person for full time work leading a small crew in planting trees this winter/spring. The job can transition into full time work watering and maintaining trees during the summer.

Ability to drive truck & flatbed trailer is desired. Must be able to efficiently preform physical outdoor work rain or shine.

You are:

- Knowledgeable about trees and tree care and willing to learn more. Experience installing and caring for trees.
- Responsible & organized with equipment and recordkeeping
- Able to organize, lead, and provide quality control for a small crew
- Over 19 years old and have 3 years clean ODL for insurable driving
- Competent driving trucks & trailers (not cdl)
- Capable of and willing to do somewhat rigorous outdoor manual labor

We are:

- A small family owned business and Tree Care Industry Association Accredited company dedicated to ecological tree care
- Committed to a culture of safety and education
- Heavily involved in our tree community
- Located in north Milwaukie industrial area next to 99E

\$21.00/hour or DOE to start. Full time employees receive health insurance, vacation, boot allowance, and many other benefits.

Send your resume/information to info@treecology.com.
